Dear Dr Bellini,

On behalf of all the Members of the OIE Regional Commission for Europe, I would like to express my gratitude to you for your valuable contribution to the 28th Conference of the OIE Regional Commission for Europe, held in Tbilisi, Georgia, from 17 to 21 September 2018. Furthermore, I congratulate you for the excellent presentation you gave on the Technical Item I "*Application of biosecurity in different production systems at individual, country and regional levels*".

The Conference was a success, very constructive and of interest to all participants. May I thank you again for all the time and energy you devoted to the preparation of the questionnaire, the analysis of the responses and the presentation, and for your active participation during the Conference, including during the working group activity.

A copy of the Final Report along with the recommendations will be forwarded to you as soon as it is available.

With kind regards,
